Re: United States v. Bebars Baslan, 13-CR-220 (RJD)

Dear Judge Dearie:

With the consent of counsel for the defendant, the government respectfully requests a brief extension, until November 24, 2014, to respond to the defendant's post-trial motion. Under the current briefing schedule, the government's response is due on November 7, 2014. The government makes this request because in order to fully address the arguments raised in the defendant's nearly 100-page brief, the government requires additional time. This is the government's first request for an extension of the post-trial briefing schedule. The Court has previously granted 2 extension requests by the defense, resulting in an additional 60 days for the defense to file its motion.

Respectfully submitted,

LORETTA E. LYNCH  
United States Attorney
